Beauty Secret

KEEP the system clean. Eliminate the poisons. If nature will not do it for you, help nature with a nature medicine like Dr. Caldwell's Syrup Pepsin. Take a teaspoonful for a few nights and watch the results. There will be a feeling of lightness, the eyes will be bright and sparkling, the lips red, the cheeks pink.

Dr. Caldwell's Syrup Pepsin is the recognized, standard remedy for constipation, and it is constipation that gives women headaches, dullness, loss of appetite and sleep, bad breath and bad complexion. Dr. Caldwell's Syrup Pepsin will rid you of all these and do it gently but thoroughly. It is just a combination of simple laxative herbs with pepsin, so safe that it is given to infants. A sixty-cent bottle will last for months, and last year eight million bottles were bought at drug stores—in itself a guarantee of merit.

EPSOM SALTS

LIKE LEMONADE

You can now buy real epsom salts without the awful taste and nausea, by asking your druggist for a handy package of "Epsomade Salts" which look and act exactly like lemonade. Epsom salts, because it is pure epsom salts combined with fruit derivative salts, giving it the taste of sparkling lemonade.

Take a tablespoonful in a glass of cold water whenever you feel bilious, headache or constipated. "Epsomade Salts" is the much talked of discovery of the American Epsom Association.
